Subject: FW: Request Eliminate Selected RCRA Metals from the Semiannual Groundwater Monitoring Events at Central Wire in Union, Illinois
Attachments: Techalloy EPA Ltr Approval Eliminate Select Metals 1-30-2014.pdf

John --

In reviewing the attached letter, I noted that one of the metals that Central Wire requested eliminating testing for in our semi-annual groundwater events (Mercury) was not listed in your letter. Mercury is not used at Central Wire.

I would appreciate it if you amend your letter to include Mercury.

Thank you.

Sincerely,
 Gerry Ruopp
